MILES CITY KOA JOURNEY

Miles City KOA is located near the Tongue River and Yellowstone River and is close to the site of old Fort Keogh. Stay on the grounds where the Sioux, Cheyenne and Crow once lived, and where Captain William Clark and Sacajawea (1806) and General George Custer (1874 and 1876) once camped. Within walking distance of our campground, you'll find the Range Riders Museum, Historic Downtown Miles City, the Eastern Montana Fairgrounds, Riverside Park, the Natural Oasis Pool and the Denton Sports Complex. While Downtown, check out buildings listed on the National Register of Historic Places.
